Assistant Commissioner for Patents

Washington, D.C. 20231

Sir/Madam:

I, Eiichi Kobayashi, do declare and state that:

I graduated from the University of Tokyo, Faculty of Agriculture, Department in  
Agricultural Chemistry, having received a Master's Degree of Agriculture in March, 1992.

I am presently employed by NGB Corporation of Tokyo, Japan and have been  
so employed since April, 1992.

I understand the Japanese and English languages, and the English translation  
of PCT/JP99/05819 submitted on April 20, 2001 was made by me.

I found a clerical error in claim 15 in the English translation. Claim 15 should  
be read as follows:

15. Use of the cyclic phenol sulfide metal complex represented by  
formula (3) described in claim [4] 10 as a catalyst for hydrolysis of  
phosphodiester.

I declare further that all statements made herein of my own knowledge are  
true and that all statements made on information and belief are believed to be true; and  
further that these statements were made with the knowledge that willful false statements  
and the like so made are punishable by fine or imprisonment, or both, under Section 1001  
of Title 18 of the United States Code and that such willful false statements may jeopardize  
the validity of the application or any patent issuing thereon.
